**Certification of CPNI FILING FEBRUARY 6, 2006
OF
MON-CRE TELEPHONE COOPERATIVE, INC.**

**EB-06-TC-060
EB Docket No. 06-36**

TO: FEDERAL COMMUNICATIONS COMMISSION, ENFORCEMENT BUREAU

In response to the Commission's Public Notice, DA 06-223 (released January 30, 2006), and revised by Public Notice, DA 06-258 (released February 2, 2006), Mon-Cre Telephone Cooperative, Inc. ("Mon-Cre") states as follows:

1. As a small rural carrier with less than three thousand five hundred (3,500) access lines, Mon-Cre ensured that it was in compliance with the FCC rules contained in the subpart addressing Customer Proprietary Network Information ("CPNI") for 2005 in that Mon-Cre did not use CPNI in its marketing efforts in 2005 nor did it turn over CPNI to others in 2005.
2. Because Mon-Cre was not using CPNI in its marketing efforts and did not turn over CPNI to others, Mon-Cre certifies that it complied with the Commission's rules regarding the proper use of CPNI.
3. Mon-Cre's interpretation of 47 C.F.R. § 64.2009, entitled "Safeguards required for use of customer proprietary network information" was that so long as CPNI was not used by telecommunications carriers, the compliance certificate requested by the Enforcement Bureau in Public Notice DA 06-223, and revised by Public Notice, DA 06-258, was not required. Specifically, that Section provides, among other things, that a carrier "must implement a system...prior to the use of CPNI..." 47 C.F.R. § 64.2009(a). For that reason, Mon-Cre does not have a compliance certificate for the year 2005.
4. Mon-Cre will immediately adopt an appropriate 2006 compliance certificate in the event that CPNI is later used.
